

PRINCE CHAKUSA

Guest Relations Supervisor · Hospitality and property operations · Software developer

Abu Dhabi, UAE | UAE driving licence | +971 58 977 2645 | hello@princechakusa.com
princechakusa.com | linkedin.com/in/princechakusa | github.com/princechakusa

I started at the front desk in 2023 and have grown through four UAE holiday home companies to lead teams and a portfolio of more than 350 units. I focus on the guest: fast responses, consistent standards and problems fixed at the source. When the right tool does not exist, I build it.

350+

short-term rental units under my responsibility

+25%

guest review scores after redesigning check-in

15%

lower annual operating costs from standard SOPs

EXPERIENCE

Guest Relations Supervisor

May 2026 to Present

The Authors Holiday Homes, Abu Dhabi

- Lead the guest relations team day to day and own every escalated guest issue until it is resolved.
- Strengthened the company's systems and the way the team is managed, so standards hold on every shift.
- Coach the team to solve guest problems at the first contact.

Guest Experience Lead

Jan 2026 to May 2026

Luxury Homevy Vacation Homes, Dubai

- Ran the guest experience for **40 properties** on Airbnb and Booking.com with a team of 5.
- Built SLA and SOP tracking for response and resolution times across Hostaway and WhatsApp.
- Turned **200+ guest reviews** into a clear list of recurring issues and fixes for the operations team.

Team Leader, Property Operations

May 2025 to Dec 2025

Stonetree Vacation Homes, Dubai

- Promoted from Customer Care Agent (Nov 2024) to run property operations for **350+ units**.
- Led a team of **12** across concierge, maintenance and housekeeping.
- Standardised SOPs across the team, cutting annual operating costs by **15%**.
- Kept the portfolio DTCM compliant, and managed vendor contracts and service level agreements.
- Ran property inspections and service recovery, and reported performance to management.

Guest Relations Officer

Jan 2023 to Oct 2024

Daniels Holiday Homes, Dubai

- Redesigned check-in and check-out, raising guest review scores by **25%**.
- Introduced digital concierge tools that cut front desk workload by **40%**.
- Set up CSAT and NPS feedback, lifting guest satisfaction by **20%**.
- Mentored new staff, cutting onboarding time by **20%**.

WHAT I BUILT

PaMarket

A marketplace and jobs board for Zimbabwe, live on the web, the App Store and Google Play. I designed and built it.

pamarketzw.com

FixHub

Maintenance ticketing for property managers: log, assign and track every job until it is fixed.
