Abu Dhabi, UAE | +971 58 977 2645 | chakusaprince@gmail.com

[linkedin.com/in/princechakusa](https://www.linkedin.com/in/princechakusa) | github.com/princechakusa | UAE Driving Licence

PROFESSIONAL PROFILE

Guest relations and property operations professional with experience across four UAE holiday home companies since 2023. Progressed from front desk to leading a team of 12 responsible for more than 350 short-term rental units, and now supervise guest relations at The Authors Holiday Homes. Skilled in guest experience, team leadership, DTCM compliance, SOP development and vendor management. Also a software builder: designed and built PaMarket, a live marketplace for Zimbabwe on the web, the App Store and Google Play.

KEY COMPETENCIES

- Guest experience management
- SOP development and compliance
- Service recovery and escalations
- Property inspections
- Team leadership and coaching
- DTCM holiday home compliance
- Data-driven reporting and KPIs
- Inventory and stock control
- Operations coordination
- Vendor and SLA management
- Guest review analysis
- Cross-department communication

CAREER ACHIEVEMENTS

- **Portfolio leadership:** Responsible for more than 350 short-term rental units at Stonetree, leading a multidisciplinary team of 12 across concierge, maintenance and housekeeping.
- **Cost control:** Standardised SOPs across the operations team, reducing annual operational costs by 15% while maintaining service levels.
- **Guest satisfaction:** Raised guest review scores by 25% and CSAT/NPS satisfaction by 20% at Daniels Holiday Homes, and cut front desk workload by 40% with digital concierge tools.
- **Promotion:** Joined Stonetree as a Customer Care Agent and was promoted to Team Leader of Property Operations.

PROFESSIONAL EXPERIENCE

Guest Relations Executive Supervisor

April 2026 - Present

[The Authors Holiday Homes, Abu Dhabi, UAE](#)

- Supervise the guest relations team, ensuring every guest is looked after from arrival to departure.
- Handle escalated guest issues and coach the team to resolve problems at first contact.
- Improved the company's operating systems and team management, so service standards hold on every shift.

Guest Experience Lead

January 2026 - March 2026

[Luxury Homevy Vacation Homes Rental LLC, Dubai, UAE](#)

- Led guest experience operations across a 40-property short-term rental portfolio listed on Airbnb and Booking.com.
- Managed a 5-person guest service team, overseeing daily SLA and SOP compliance across Hostaway and WhatsApp.
- Built SLA/SOP compliance tracking to monitor response and resolution times across priority tiers.
- Ran a guest review analytics programme covering more than 200 reviews to find recurring issues and service improvements.

Team Leader - Property Operations

November 2024 - December 2025

Stonetree Vacation Homes Rental LLC, Dubai, UAE, joined as Customer Care Agent

- Directed day-to-day operations for more than 350 short-term rental units, ensuring guest satisfaction and operational efficiency.
- Led a cross-functional team of 12 across concierge, maintenance and housekeeping.
- Developed, implemented and monitored SOPs across all property and maintenance functions.
- Conducted regular property inspections to maintain standards and plan preventive maintenance.
- Oversaw vendor and contractor performance, negotiated contracts and managed service level agreements.
- Analysed performance metrics and prepared management reports, identifying process improvements.
- Drove service recovery, resolving guest complaints promptly to protect brand reputation.
- Ensured full DTCM compliance across property listings, permits and regulatory documentation.

Guest Relations Officer

January 2023 - October 2024

Daniels Holiday Homes Rental LLC, Dubai, UAE

- Optimised guest check-in and check-out processes, improving review scores by 25%.
- Integrated digital concierge tools, reducing front desk workload by 40%.
- Implemented a CSAT and NPS feedback system, improving response time and guest satisfaction by 20%.
- Conducted service audits based on guest surveys to guide operational improvements.
- Mentored new team members, reducing onboarding time by 20%.

PROJECTS

PaMarket: Designer and developer

Online marketplace and jobs board for Zimbabwe: buy and sell, find work and discover verified businesses across all 10 provinces, priced in US dollars or ZiG. Live on the web, the App Store and Google Play.

pamarketzw.com

FixHub: Developer

Maintenance ticketing system for property managers: log a job, assign it and track it until it is fixed, so requests no longer get lost in group chats.
